

Panama corporate records

Historical source edition | 7 September 2026

Public crypto research edition. The following material preserves historical analysis, source identifiers, transaction amounts and stated qualifications. Observations retain their original dates, principally 5-7 September 2026. Preparing this edition did not repeat the blockchain, corporate-registry or legal research.

Read each assertion with its cited source and limits. A public role, a wallet connection or a valid transaction does not by itself identify a human operator, prove personal receipt or establish wrongdoing. The reports distinguish findings, interpretations and unanswered questions.

Correction precedence: the 7 September 2026 ShibaFriend claims review reports repayment of the principal of all 23 non-dust funding addresses, with only 168 base units of dust unmatched. It also reports equal project matches for all 194 identified paid Mystery Box mints. Those later findings supersede earlier uncertainty about those specific questions. See [Research_Paper_ShibaFriend_Claims_Review.pdf](#).

Original source-page labels and reference identifiers are retained where useful. Gaps in numbering reflect the crypto-only scope. Historical references to companion records are locators; consult the repository inventory to see which records are included. Current availability of an external source is not guaranteed.

Contents and document control

| Consolidated investigator edition | 7 September 2026

This consolidated edition presents formation, registered officers and the launchpool connection; panama folio 155733022; 2023 and 2025 filings. Source identifiers and hyperlinks are retained. Blockchain, registry and archival observations remain tied to the dates and verification limits stated in the report.

| **Consolidated edition, 7 September 2026.** Evidence reviewed through 7 September 2026 UTC; original deed observations retain their collection dates. Panama folio **155733022**.

1. Conclusion

Carajo's formation, original subscribers and 2025 appointments are documented. Its issued-share ownership and the people whose votes authorized the changes remain unidentified. Launchpool's 2024 terms name Carajo as operator; no executed business-transfer agreement was recovered. Laura's historical Launchpool role is documented, but neither supplied deed names her. [R1-R4; S1-S5]

Four informational registry downloads total **18 pages**; three translated summaries add **six pages**. Spanish originals control over translation; this report is not a registry certificate. Print the four registry originals using **Fit to printable area** and preserve the original evidence ZIP.

2. Verified chronology and corporate particulars

Date	Event / record
21 April 2017	Incorporation date stated for both BVI Linford subscribers [R1 p2]
1 November 2018	Exact Linford companies struck off for unpaid annual fees; Gazette published 11 December 2018 [S7]
31 January 2023	Carajo deed 769; entry 44706/2023 , submitted 1 February , registered 2 February 2023 [R1-R2; R6]
8 February 2024	Printed revision in later Launchpool terms/privacy policy; captures 19/24 April 2024 name Carajo [S2-S3]
7 February 2025	Extraordinary shareholders' meeting date expressly transcribed in Spanish deed [R3 p3]
7-9 May 2025	Deed 10116 notarized 7 May; entry 187609/2025 submitted 8 May , registered 9 May [R3-R4; R7]

The February 2025 meeting and May notarization/registration are separate events. The materials do not explain the interval.

Subscribers and capital

BVI subscriber	Representative / stated capacity
LINFORD CORPORATE SERVICES INC., BC 1943018	Katia Jannette Smith Chávez, sole director
LINFORD MANAGEMENT SERVICES INC., BC 1943021	Fernando Menéndez Montes, sole director

The Spanish recitals identify both companies at PDF pp2-3; English recitals at p7. Each agreed to take **one initial share**. Authorized capital is **US\$1,000**, divided into **1,000 registered common shares at US\$1**; no later allotment/transfer history is included. Neither authorized capital nor those two commitments establishes current ownership percentages, paid capital or fundraising receipts. Clause ten places the share register at a board-designated location. [R1, Spanish pp4,6; English pp8,10]

Recorded appointments

Role	Original 2023 charter	2025 appointee
Resident agent	Quijano & Asociados	Mario Ernesto García de Paredes Estripeaut
Director / president	Katia Jannette Smith Chávez	Persis Manfred Sarmiento
Director / secretary	Nereida Esther Moreno Cerrud de Serrano	Omar Camargo
Director / treasurer	Fernando Menéndez Montes	Miriam Camargo

The original officers use Quijano's **Bloc Office Hub** business address; the firm presented the incorporation document. The later officers/agent use **Oceania Business Plaza**. [R1 pp3,6; R3 pp3-4]

Persis chaired and Omar served as secretary of the 2025 meeting. The minutes state that all issued/outstanding voting shares participated electronically, waived notice and unanimously approved the changes. Officers take office at meeting close; Mario is authorized to notarize/register. Omar certifies the minute-book copy, and Mario supplies a statutory declaration. No named shareholder attendance, holdings, proxies or transfers are included. Recorded meeting capacities do not identify equity ownership; the comparison does not exclude intervening appointments or establish earlier officers' resignation dates. [R3 pp3-5]

The registry charges were **B/.360 in 2023** and **B/.65 in 2025**, not project funding. The official resident-agent portal matched **ASOCIADOS CARAJO INC / 155733022**, registration **02/02/2023**, with Quijano agent status **Renuncia** and separate folio status **Vigente**. It gave no resignation date/successor; the supplied later summary/deed identify the successor. [R2; R4-R5; S13]

3. Launchpool and Laura: dated evidence

The Wayback terms captured **28 January 2022 at 06:33:58 UTC**, revision **10 November 2021**, name **Launch Pool Limited** under unspecified **Virgin Islands** law. Independent Portuguese captures on **19 October 2021 at 07:59:25 UTC** and **1 February 2022 at 20:10:17 UTC** preserve that description without a number. The October page's printed **13 January 2021** revision predates secondary candidate **Launchpool Ltd, BVI 2054898**, reportedly incorporated **12 February 2021**. The candidate is not definitively identified as the website issuer; printed revision and actual publication dates differ. [S1; S10-S11; S16]

The 2024 terms/privacy identify Carajo at Bloc Office Hub and claim it created/released LPOOL and owns Launchpool IP. March/May 2024 migration FAQs attribute a new company, director and management to regulatory issues; they describe **Sumsub re-KYC** and **Arbitrum migration**. These representations do not supply an enforcement order, asset assignment, customer novation or assumed-liability schedule. [S2-S3; S17-S18]

Dated publication	Laura connection
2 July 2021 AMA / 3 July summary	Launchpool COO; attributed answers on eligibility/allocations [S4]
9 July 2022 Nativz newsletter	GamiFi CEO; Launchpool COO appointment dated May 2021 ; Techstars initiative work [S5]
8 October 2021 professional interview	The interview's Laura Walsh link targets /in/lauratakenaka/ [S19]
1 September 2022 announcement	Eleanor Rooney succeeds as GamiFi CEO; 7 September 2022 / 23 January 2024 team captures corroborate Rooney [S14-S15]

Older podcast text still naming Laura CEO does not extend her tenure. Her historical role does not establish Carajo shares, beneficial ownership, formation instructions, 2025 voting authority or a corporate mandate. Neither deed names her.

4. Remaining ownership and authority records

The 2018 Gazette exactly matches **1943018 / 1943021**; notice scope is printed p6444 / PDF p2, entries p6680 / PDF p238. No restoration/history instrument was recovered in the later exact-name/number searches. This leaves **1 November 2018-31 January 2023** status and capacity unresolved. [S7; R1]

A Quijano-issued **19 August 2020 WBS LATAM S.A. certificate**, on a third-party mirror, lists the same original board trio in corresponding roles (Nereida's name shortened), with a separate shareholder. This supports recurring service-provider appointments as an inference, not shared Carajo ownership. [S8 p15]

Exact target / custodian	Question
Board-designated share register; allotments, certificates, transfers	Issued-share holders from formation onward
7 February 2025 minute book, attendance, electronic participation, proxies and voting rights; recorded chair Persis / secretary Omar	Who voted and with what authority
Quijano formation/client/BO instructions; Mario's agent-transition file	Who commissioned incorporation and administration
SSNF Dirección de Beneficiario Final / RUBF, Carajo 155733022 , through applicable authority access	Any filed controllers and retained historical changes
Previous Launchpool entity / Carajo executed transfer and accounting schedules	Assets, IP, contracts, customer data, liabilities, consideration and dates
Linford 1943018 / 1943021 registry/agent histories	Restoration, status, agent and name changes during 2018-2023

SSNF describes its private **Registro Único de Beneficiarios Finales** and resident-agent submissions; no Carajo entry was disclosed. Mario's declaration cites **Article 18 of Law 254/2021**, concerning accounting records/custody on agent change. It is a record lead, not a shareholder disclosure. [R3 pp4-5; S9 pp180-181; S12]

The procedural lead is now identified as **SSNF Resolution S-058-2026, dated 24 August 2026**, Gazette **30602 of 1 September**, adopting an instruction for competent-authority requests/reports. Web retrieval confirms the contents entry; local downloads returned an HTML challenge and the full substantive body was not reliably extracted. Obtain the complete instrument before legal reliance. This identifies a records-access lead, not a disclosed Carajo ownership entry. No request, paid application or contact was made. Share/BO records, bank statements, wallet custody and executed business transfers remain missing. [S20]

5. Original-document catalogue and integrity

Records are identified by deed, filing and folio numbers. R1-R4 are registry informational copies; R5-R7 are translated registry summaries. Page references use PDF viewer numbering, including covers. Spanish originals control over translations. This report is not a registry certificate.
